### Notes to the Audited standalone financial results for the year ended March 31, 2019

- The Company has an investment of ₹ 31,494.99 Lakhs in Preference Shares and ₹ 0.20 Lakhs in Equity Shares (Long Term Investments) in GMR Holdings (Mauritius) Ltd (GHML), and also extended ₹ 25,186.11 Lakhs Loan (including accrued interest) to GHML a step down subsidiary of the company. GHML has an accumulated loss of USD 132.725 million as at 31st March 2019 (equivalent of ₹ 86,722.90 Lakhs). However, the Management of the Company, is confident of realizing its investments and Loan in GHML as the realizable value of investment in the step down subsidiary is expected to offset the accumulated losses over a period and will protect the shareholder's investment. Hence, no provision is considered by the company for its investment in GHML. During the April 2019 the company has received back 8,647.13 Lakhs from GHML against the loan outstanding. GHML exploring other new business opportunities to improve the profitability.
- During the current year and in the past years the Company has incurred (huge) losses on account of finance charges, and there is a reduction of Net worth to that extent. The borrowings were invested in group companies which are long term in nature; these strategic investments in Group Companies have potential for capital appreciation. The management expects to generate positive cash flows. In the coming one year substantial portion of the existing borrowings are maturing for repayment and the company initiated the steps to improve the liquidity position and has been in discussions with various lenders for rollover of the existing facilities for a longer period. Also taken steps to monetize the subsidiaries' assets which are in real estate sector and the company will continue its efforts to recover the loans extended to group companies. With these efforts the liquidity position of the company will improve significantly. In view of these steps, the financial statements are continued to be presented on going concern basis which contemplates realization of assets and settlement of liabilities in the normal course of Business.
- The audited financial results of the Company for the year ended March 31, 2019 have been reviewed by the Audit Committee in their meeting held on May 29, 2019 and approved by the Board of Directors in their meeting held on May 30, 2019.
- DSCR represents profit or loss from operations before finance costs, exceptional items and tax expenses as divided by sum total of finance costs and principal repayment of loan funds during the period. ISCR represents profit or loss from operations before finance costs, exceptional items and tax expenses as divided by finance costs. Debt- equity ratio represents loan funds (sum total of long-term borrowings, short term borrowings and current maturity of long term borrowings included in other current liabilities) as divided by shareholders' funds (sum total of equity shares, preference shares and reserves and surplus). Asset coverage ratio represents Net Assets other than intangible assets and as reduced by current liabilities as divided by loan funds (sum total of long-term borrowings, short term borrowings and current maturity of long term borrowings included in other current liabilities).
- Paid up debt capital represents outstanding non-convertible debentures issued by the company as on March 31, 2019 (excluding interest).
- The Company has not created Debentures Redemption Reserve as per the provisions of Section 71 of Companies Act, 2013 in view of the accumulated losses.
- Figures pertaining to previous period/year have been regrouped, reclassified wherever necessary, to confirm to the classification adopted in the current period/year.
